

## BS&A Software Awarded Michigan 50 Companies to Watch

In 1987, the founders BS&A had a vision of a company that would strive toward ongoing improvement within a positive and professional corporate culture that places the customer first. This focus has led to continued growth in market share and a reputation for industry-leading customer satisfaction. As they celebrate their 25th anniversary, BS&A is proud of achieving their vision and to have been named as one of 2011 Michigan 50 Companies to Watch.

The Michigan 50 Companies to Watch award program recognizes second-stage companies that positively impact their markets, communities and state. Recipients of this award are known for outstanding marketplace performance, innovation, philanthropy and corporate culture. The companies must be privately held, commercial enterprises with the intent and capacity for further growth. They must employ between 6 and 99 full-time equivalent employees and have between \$750,000 and \$50 million in annual revenue in the calendar year 2011.
